

MEET E.E.C-O

Loveland Living Planet Aquarium's New Mascot!

Environmental
Exploratory
Craft.

INTERACTIVE EXPERIENCE

Eeco the crab will be your tourguide through the aquarium, and will have info and maps for you to use. Just download the App and Eeco can help you in AR.

IMPROVED NAVAGATION

Eeco can also assist guests around the website with navigation and helping schedule their visit.

ENTERTAINING

Keep young ones captivated with this character fun animations. Maybe even find your new passion.

As the new home of U2s Claw, and the new Science Learning Campus, Utah's very own Loveland Living Planet Aquarium invites you to come and explore the wonders our living planet has.
